

# International Symposium on Industry 4.0 and Applications (ISIA 2017)

<http://www.industry4g.org/>

October 12-14, 2017, Karabuk, Turkey

Dear Colleagues,

International Symposium on Industry 4.0 and Applications (ISIA 2017) aims to bring scientists, experts, instructors, civil society organizations and representatives together to share and discuss theoretical and practical knowledge of industry 4.0 in a scientific environment. The scope of the conference covers all theoretical and practical aspects related to industry 4.0.

Symposium is organized by [Karabuk University](#) and [Universiti Malaysia Perlis](#). The language of the symposium will be English and Turkish.

In addition to our conference scientific sessions, we would like to invite you to visit [UNESCO World Heritage City Safranbolu](#), Karabuk.

We look forward to greeting you at International Symposium on Industry 4.0 and Applications (ISIA 2017).

## Topics:

- 3D Printing
- Advanced Functional Materials
- Advanced Human-Machine Interface
- Artificial Intelligence
- Augmented and Virtual Reality
- Automation
- Big Data Analytics and Advanced Algorithms
- Business and Information Systems
- Cognitive Systems
- Computer-Integrated Systems
- Cyber Physical Systems
- Cyber Security
- Data Mining and Knowledge Discovery
- Digital Convergence
- Electronic Commerce, Business and Management
- Energy Management
- Factories of The Future
- Grid and Cloud Computing
- Industry Process Control
- Information and Computer Technologies
- Intelligent Communications and Networks
- Intelligent Logistic
- Intelligent Sensors and Connectivity
- Internet of Things
- Location Detections Technologies
- Machine to Machine
- Mobility
- Nanotechnology
- Recent Trends in Computing and Information Technology
- Robotics
- Simulation
- Smart Card and RFID Technologies
- Smart Production Technologies and Systems
- Soft Computing and Intelligent Systems
- System Integration
- Ubiquitous Computing and Embedded Systems
- Virtual Engineering Technologies
- Warning System
- Other Related Topics

### **Paper submission**

Authors are invited to submit abstracts through the [EasyChair](#) by **June 16, 2017**. Deadline for paper submission is **July 28, 2017**. Maximum allowed number of page per manuscript is 10.

Accepted abstracts will be published in the **Book of Abstracts**, while the full papers will be published in the **Conference Proceedings**.

Selected papers from ISIA 2017, after further revisions, will be published in the following journals:

- [JESTECH - Engineering Science and Technology, an International Journal](#)
- [SAUJS - Sakarya University Journal of Science](#)

### **Important Dates:**

- Deadline for Abstract Submission : July 21, 2017
- Announcement of Acceptance of Abstracts : July 28, 2017
- Deadline for Full Paper Submission : August 18, 2017
- Announcement of Acceptance of Full Papers : September 01, 2017
- Deadline for Registration : September 15, 2017
